

Help Us Line the Streets of Tennessee's Second Oldest Town with Patriotic Pride

Dear Local Business Owner,

For years, the sight of American flags lining the historic streets of Dandridge has served as a powerful reminder of our community's deep-rooted patriotism and the sacrifices made to protect our freedom. As we approach the historic 250th Anniversary of the United States, VFW Post 3380 is launching a special initiative to ensure our town looks its best for this once-in-a-lifetime milestone.

Our current street flags have weathered many seasons, and we are seeking donations from our local business partners to purchase a new set of high-quality flags. These flags will be used to line our streets during Memorial Day weekend, June Jubilee, July 4th, and other community festivities. Our goal is to purchase 40 new, high-quality flags to line our historic corridor. Each flag costs approximately \$50.

How You Can Help:

We are asking for sponsorships to help cover the cost of these new displays. Any contribution—large or small—will go directly toward the purchase of the flags and the hardware needed to display them throughout our historic downtown.

Donation Details:

Check: Please make checks payable to VFW Post 3380 (and please annotate your donation is for the flags) and mail them to: **PO Box 314, Dandridge, TN 37725**

By supporting this effort, you are helping VFW Post 3380 honor our nation's history in the only town in America named for Martha Dandridge Washington. We would be honored to recognize our major business donors on our official Facebook page and during our community meetings.

Thank you for your continued support of our veterans and our community.

Warm regards,

The Members of VFW Post 3380
